2010 Victories Rosé

Victories is a wonderful dry California Rosé with ripe fresh fruit aromas and flavors, a rich mouthfeel and crisp acidity. Victories Rosé is a wine created to raise funds for breast cancer research and awareness. Since the 2004 vintage, we have donated over \$45,000 to charities supporting the cause, an average of \$2 per bottle sold.

2008 Madden Ranch Syrah, Livermore Valley

Football hall of famer John Madden owns the hillside vineyard overlooking the Livermore Valley that is the source of this fruit. The grapes are hand harvested and hand sorted for our warm inland valley Syrah with deep purple color, broad fruit flavors and abundant tannin integration. Aging in a mixture of French and American oak barrels harmonizes all of the elements together to produce a big, fruit forward Syrah that will drink well for the next 5 to 7 years.

2007 Choreography, Napa Valley Bordeaux Blend

Choreography represents our role of setting the stage for our vines and grapes to achieve their highest expression in the vineyards and at the winery. The grapes for this wine come from two sustainably farmed vineyards in the Napa Valley owned by family friends. The 2007 blend creates a wine with profound aromatics and the dark fruit flavors, mouthfeel and texture that enhances and completes food pairings. Will drink well for 10 or more years. Whether Choreography is the name of our wine, or reminds us that we all are choreographers of moments and memories in life, no wine offers a better tribute. Cheers to you!

2006 Dessert Wine, Napa Valley

Our luscious 2006 Dessert Wine is a blend of 75% Zinfandel and 25% Petite Sirah from the Napa Valley. Aged, double-distilled alembic brandy was used to fortify both wines during fermentation. The fortification stopped any additional fermentation, which resulted in our wine blend retaining a pleasing 6.2% residual sugar level. This wine spent 36 months in French oak, and will drink well for 5 to 15 years.

Fleming Jenkins Vineyards & Winery is owned and operated by physician and winemaker Greg Jenkins, and his wife, Olympic Gold Medalist figure skater Peggy Fleming. Their bonded winery is located in Los Gatos, California in the Santa Cruz Mountains AVA. In 1999, Greg and Peggy cleared the land next to their home in the hills above Los Gatos and planted 650 Chardonnay vines. From that small start grew a deep appreciation for life in the vineyard and the art and science of winemaking.

Our goal is to craft wines that inspire people to achieve greater things in their lives in meaningful ways.
